

Roger Staubach Dallas Cowboys Jersey Signed & Framed

Starting Bid - \$500

Roger Staubach joined the Dallas Cowboys as a 27-year-old rookie in 1969 and didn't win the regular quarterbacking job until his third season in 1971. But for the nine seasons he was in command of the potent Cowboys attack, Dallas played in six NFC championship games, winning four of them, and also scored victories in Super Bowls VI and XII.

The 6-3, 200-pound Staubach wound up his career after the 1979 season with an 83.4 passing rating, the best mark by an NFL passer to that time. His career chart shows 1,685 completions in 2,958 passing attempts, which were good for 22,700 yards and 153 touchdowns.

Making Staubach particularly dangerous was his ability to scramble out of trouble – his 410 career rushes netted him 2,264 yards for a 5.5-yard average and 20 touchdowns. He led the NFL in passing four times. He was also an All-NFC choice five times and selected to play in six Pro Bowls.

Staubach first starred as a quarterback at the U.S. Naval Academy, where he was a Heisman Trophy winner as a junior in 1963. Following his graduation, he spent a mandatory four years on active duty, including service in Vietnam, before he was able to turn his attention to pro football.

During his finest years with the Cowboys, Roger had the reputation for making the big play. He was the MVP of

Super Bowl VI and provided the offensive spark in a defense-dominated Super Bowl XII victory.

In 1972, he missed most of the season with a separated shoulder, but he relieved Craig Morton in a divisional playoff against San Francisco and threw two touchdown passes in the last 90 seconds to defeat the 49ers, 30-28. With that performance, he won back his regular job and did not relinquish it again during his career.
